WHO WE ARE

GFWC Florida is comprised of nearly 200 women's clubs across the state whose members are dedicated to community improvement by enhancing the lives of others in their local communities. With over 8,400 members across the state, these volunteer women's club organizations attend to the diverse needs of their communities through hands-on service projects, fundraising, education, leadership and friendship.

WHAT WE DO

GFWC Florida is an all-volunteer, non-profit 501c3 organization. In any given week, GFWC clubwomen across the state of Florida are preparing meals for the homeless, sewing blankets for kids in foster care, supporting our veterans, collecting and distributing new and gently used books to children to promote literacy, develop leadership skills, and much more.
